# 2024 ZIONSVILLE PERCUSISION
## Marching Band Percussion Audition Requirements

*This years audition requirements look slightly different than in years past. Rather than audition for a specific instrument, you will audition based on if you are a returning or new member to the battery or front ensemble. All incoming freshman should submit a "new member" audition, as well as anyone switching from front ensemble to battery, or vice versa. Email me with any questions. - Michael*
